Manager of Care Coordination

The Manager of Care Coordination (CC) will lead and support the department leadership in the development, implementation and evaluation of Partnership's clinical case management services. Collaborates with Supervisor(s) to oversee the department activities and provides guidance to manage these functions to enhance cost effectiveness, ensure compliance with applicable state and federal regulations, and to fulfill all contractual requirements.

Job ID 2024-2999 FLSA Status Exempt Job location: US-CA-Redding

Transportation Specialist I

To facilitate access to medical care by coordinating Non-Emergency Medical (NEMT) Transportation, Non-Medical Transportation (NMT) transportation and travel-related benefits for members. Coordinates care in collaboration with internal and external partners to help members overcome barriers to care created by lack of transportation.

Job ID 2024-2990 FLSA Status Non-Exempt Job Location US-CA-Redding

Health Care Guide I/CC

In collaboration with Care Coordination team members, this position provides support and guidance to HealthPlan members referred to the Care Coordination Department for Case Management services and programs. The Health Care Guide I works closely with members, families, providers, community agencies, and the interdisciplinary care team to assist in coordination of benefits in a timely and cost-effective manner, while connecting members to available internal and external resources.

Job ID 2024-2982 FLSA Status Non-Exempt Job Location US-CA-Redding

Facilities Coordinator I

This position is responsible for coordinating Facilities related functions and to provide assistance to Partnership HealthPlan of California (PHC)'s Facilities department. This position will interact with all internal PHC staff as well as various supply vendors and maintenance personnel. Provides the necessary assistance to the Facilities team with a high level of integrity, strong organizational skills, and professionalism.

Job ID 2024-2976 FLSA Status Non-Exempt Job Location US-CA-Redding

Improvement Advisor

Under the direction of the Manager of Performance Improvement, the Improvement Advisor is uniquely positioned to drive improvement across PHC, our provider network, and the communities we serve. The Improvement Advisor will work internally and externally with provider practices and community partners to identify, plan, and facilitate quality improvement projects. Via individualized facilitation, this position will coach and train improvement teams to build team members' quality improvement (QI) skills, develop their organizational capacity for QI work, and help them meet their specific QI goals. In addition to working directly with improvement teams, the Improvement Advisor will join PHC's Performance Improvement training team, and will facilitate workshops and learning collaborative sessions on topics such as improvement methodology, QI measurement, process improvement, project management, and change management.

Job ID 2024-2969 FLSA Status Exempt Job Location US-CA-Redding | US-CA-Fairfield

Nurse Coordinator/UM II (RN)

The incumbent utilizes clinical judgement in providing utilization management services. The focus is to provide high quality, cost-effective care which will enable patients to achieve maximum medical improvement while receiving care deemed medically necessary. Assists in determining appropriateness, quality and medical necessity of treatment plans using pre-established guidelines. This position may be assigned cases in long-term or specialty care review. May also carry a caseload of cases requiring telephonic and/or on-site inpatient review at acute or rehab facilities.
