Fax: 530-224-4951 CA. Relay: 711 or 800-735-2922

Dear Producer:

Each year I am required to prepare a report of the condition, acreage, production, and value of the agricultural products in Shasta County. I need your assistance in gathering the statistics necessary to complete the report. This form should only take a couple minutes to complete.

Any information you provide on this questionnaire is kept completely confidential as required by State and Federal Law (Government Code §6254(e), U.S. Code Title 7 §2276). Individual figures are collected and compiled to represent the entire county. Your response will help to secure accurate numbers and will only be used for statistics to assemble the annual crop report.

This crop report is used for several purposes:

- Agricultural Trends
- Labor Requirements
- Financial Assistance
- Crop Insurance
- Water and Irrigation Needs
- Agricultural Production Services
- Disaster Declarations
- Marketing
- Transportation

You can return the completed forms to the Shasta County Dept. of Agriculture in a variety of ways. Please choose the method that is easiest for you.

- Mail: Shasta County Department of Agriculture
3179 Bechelli Ln. Ste. 210
Redding, Ca 96002
- Fax: 530-224-4951
- EMAIL: shastaag@co.shasta.ca.us
- Phone: 530-224-4949 (If this is easiest, feel free to call in your info)

A PDF fillable form is available on our website: <https://agwm.co.shasta.ca.us/>

Again, all information submitted to my office is completely confidential. We strive to put out a comprehensive report that details the value of agricultural commodities grown here in Shasta County. Without your assistance, a report like this cannot be generated. Thank you to all of those that contribute and here's to a successful 2024 growing season.

Sincerely,

John Ingram
