IMPORTANT DATES FOR PROPERTY REVIEWS

Each year, owners are mailed a notice stating the assessed value of their property if it has been reassessed due to a change in ownership or new construction. Notices of Supplemental Assessment are also mailed to property owners throughout the year if property is reassessed for the completion of new construction or a change in ownership.

If you, as the property owner, disagree with the assessed value of your property and wish to pursue a change in the assessment, you may request an assessment review. **THERE IS NO CHARGE FOR FILING AN ASSESSMENT REVIEW REQUEST.**

PROPERTY OWNER'S RESPONSIBILITY

Upon receiving a notice regarding the amount of an assessment, please review it carefully. If there appears to be an error or disagreement with the value, you should contact the Assessor's staff immediately to discuss the assessment. You should not delay, as there are time constraints for requesting a review. (Refer to the information on "Filing Periods.")

Assessment Review Request forms are available at the Assessor's Office, on the Assessor's website or, if you prefer, we will mail one to you. When submitting a request, it is helpful if you also submit supporting documentation such as: sales or listings of similar property, condition of the property, income and expense data (if this is an income producing property), appraisal reports, etc. **DURING THE REVIEW, STAFF MAY ASK YOU FOR ADDITIONAL INFORMATION.**

ASSESSOR'S RESPONSIBILITY

Staff will verify whether or not your assessment was processed properly. They will review the data originally used to assess the property and the documentation you provide with your review request. Only facts pertinent to the property will be considered. **A COMPLETE INSPECTION OF THE PROPERTY MAY BE NECESSARY.**

If there is sufficient evidence to support adjusting the assessed value (increase or decrease), the Assessor's staff will initiate the change. If no revision is warranted, the value will remain unchanged. You will be notified of the results either way.

FILING PERIODS

Each tax year begins on July 1st and ends the following June 30th. The value for the current tax year will be examined when Assessment Review Requests are received by the Assessor's Office between July 1st and November 30th. Assessment Review Requests received between December 1st and June 30th may be examined for the next tax year.

Assessment Review Requests for supplemental or revised assessments must be received within 60 days of the mailing date of the Notice of Supplemental Assessment or revision notice.

LENGTH OF TIME TO COMPLETE THE PROCESS

We try to complete all reviews within 45 to 90 days. However, it may take longer if there are unusual circumstances or we need additional information.

PROTECTING YOUR RIGHT TO AN ASSESSMENT APPEAL

Filing an Assessment Review Request does not extend the filing period for an assessment appeal.

- ❑ You may file for an assessment appeal if a review of your property is not resolved to your satisfaction; however, you must file before the filing deadline.
- ❑ If the assessment review is not completed and it is close to the appeal filing deadline, you may want to consider filing an assessment appeal before the deadline to protect your right to an appeal.

The Assessor does not have the authority to extend assessment appeal filing deadlines.
