LESLIE MORGAN, ASSESSOR-RECORDER

REQUEST FOR COMBINATION OF ASSESSMENT PARCELS

I hereby request the Assessor to consolidate and combine the existing Assessor's Parcel Numbers listed below into one parcel, or as few parcels as possible for assessment billing purposes only. I understand that this request will not cause elimination of *Legal-lot-lines*, as may be required by agencies when dealing with issues such as building setbacks, etc., and it is not a substitute for a Merger by Property Line Adjustment which is processed by the Shasta County Planning Department.

I understand that all subject parcels must be in the same exact vested ownership, same Tax Rate Area (TRA) and must not be tax defaulted on payment of property taxes on any parcel. Independent legal parcels will not be combined for assessment purposes.
