SPECIAL INSPECTION AND TESTING AGREEMENT

(Rev: 01-03-23)

Site Address:	Permit #	
Project Description:	APN:	

To applicants of projects requiring special inspection or testing as per Section 1704 of the **State of California Building Code**, please review the information below, acknowledge an understanding of the information by signing below, and return this form to the County.

BEFORE A PERMIT CAN BE ISSUED: The owner or his representative, on the advice of the responsible Project Engineer or Architect, shall complete, sign, and submit to this Department for review and approval two (2) copies of the attached "Structural Tests and Inspection Schedule."

The Owner and General Contractor, where applicable, shall also acknowledge the following conditions applicable to Special Inspection and/or Testing.

- 1. Contractor is responsible for proper notification to the Inspecting or Testing Agency for items listed.
- 2. Testing laboratory only should take samples and transport them to their laboratory.
- 3. Copies of all laboratory reports and inspections are to be sent directly to the AHJ by the Testing Agency.
- 4. Inspection Agency to submit names and qualifications of on-site Special Inspectors to the AHJ for approval.
- 5. Special Inspectors shall provide appropriate reports to this department of all inspection activity.
- 6. It is the responsibility of the Contractor to review approved plans for additional inspection or testing requirements that may be noted.
- 7. BEFORE A CERTIFICATE OF OCCUPANCY PERMIT CAN BE ISSUED: the Inspection Agency shall submit a statement that all items requiring testing and inspection have been fulfilled and reported. Those items not tested and/or inspected shall be noted in this statement. Copy of statement to be maintained at the job site for Building Inspector's review prior to final inspections.
