Self-Help Home Improvement Project (SHHIP) has helped with the needs of over 30,000 households in Shasta & Tehama Counties. In the last year SHHIP weatherized and/or repaired 1,800 homes. The following home weatherization programs are available for residents of Shasta County:

## ENERGY SAVINGS ASSISTANCE PROGRAM

The residential weatherization program is funded by PG&E to help their customers save money on their utility bills by installing energy efficient weatherization measures. The program can assist residents in homes, mobile homes, and apartments and is good whether you own or rent.

### COST FREE SERVICES:

Water heater blankets, low flow showerhead, door weather-stripping, attic insulation, caulking, duct testing & sealing, refrigerator replacement, minor home repair, energy education, and information.

## LIHEAP & DOE WAP WEATHERIZATION

The Low Income Home Energy Assistance Program (LIHEAP) and Department of Energy Weatherization Assistance Program (DOE WAP) are funded by the California Department of Community Services and Development (CSD).

### COST FREE SERVICES:

Water heater blankets, low flow showerhead, door weather-stripping, attic insulation, caulking, duct testing & sealing, refrigerator replacement, minor home repair, energy education, and heating and cooling repair or replacement.

Housing Weatherization program eligibility is income based. For individual eligibility guidelines and additional information visit [www.shhip.org](http://www.shhip.org) or contact Kim Keckta (530) 378-6905 Ex.122
