SHERIFF / CORONER-DETENTION / WORK RELEASE PROGRAM

Fund 0195 Public Safety, Budget Unit 246

Tom Bosenko, Sheriff/Coroner

PROGRAM DESCRIPTION

The Sheriff's work release program is an integral part of the community corrections plan to reduce recidivism. Through the program, qualified individuals who have detention time to be served may perform various community service work. The work release program may be both a voluntary fee-based program and a mandatory no-fee program.

BUDGET REQUESTS

Total appropriations requested for FY 2016-17 are \$678,253, an increase of \$38,051, or six percent, compared to the FY 2015-16 Adjusted Budget. This is primarily due to standard increases in salaries and benefits. Revenue, mostly from AB109 is decreasing by eleven percent. Overall there is a deficit in this budget in the amount of \$75,675, which will come from use of AB109 fund balance.

SUMMARY OF RECOMMENDATIONS

The CEO recommends a net zero adjustment to compensate for increased Facilities and utilities costs as Sheriff's staff from other budgets moved to different County-owned buildings, leaving the work release budget to pay for the current office space. When the Adult Rehabilitation Center is built, work release staff will relocate to it. In addition, in order to support future demands of fund balance, the Sheriff proposed some additional modifications; the CEO recommends incorporating those modifications. The result is a deficit of \$73,269, which will come from use of AB109 fund balance.

PENDING ISSUES AND POLICY CONSIDERATIONS

None.

SHERIFF / CORONER-JAIL

Fund 0195 Public Safety, Budget Unit 260 Tom Bosenko, Sheriff/Coroner

PROGRAM DESCRIPTION

The Main Jail is a maximum security structure opened in 1984 to house sentenced and pre-sentenced inmates from Shasta County and other counties, as well as those to be returned to the State prison system. The Jail, with a rated capacity of 381 inmates, operates under a 1993 Superior Court Capacity Release Order limiting the inmate population to no more than 90 percent of the Jail rated capacity and 90 percent of each housing unit rated capacity, or 343 total inmates.

BUDGET REQUESTS

Total FY 2016-17 requested appropriations are just over \$16.8 million, a four percent increase of \$667,942. This is primarily due to standard salaries and benefits increases, fleet costs, and standard facility operating cost increases. The Heating, Ventilation, and Air Conditioning Security Controls upgrade (\$853,523) and a Security System upgrade study (\$37,176) Public Works projects are offset by revenue from the Criminal Justice Construction trust fund. Even with a three percent increase in General Fund support, overall, requested revenues for FY 2016-17 are \$15 million which is flat compared to the FY 2015-16 Adjusted Budget. This cost center has a budget deficit of \$1.6 million, of which \$201,820 is funded with AB109 restricted fund balance, leaving a net County cost of \$1.4 million, which will come from Public Safety General Purpose Fund balance.

SUMMARY OF RECOMMENDATIONS

Due to unanticipated increases in insurance rates and A-87 building and equipment use costs, the CEO recommends increasing the General Fund to support the increased cost of \$146,062 from FY 2015-16. In addition, in order to support future demands of fund balance, the Sheriff proposed reducing the professional health and medical services appropriations based on current negotiations with the medical services provider. Also, the Sheriff proposed reducing salaries and benefits and associated services and supplies by moving personnel or anticipating vacant positions to be filled later in the fiscal year. The Sheriff and his staff are to be commended for supporting the future needs of public safety. The overall reductions in combination with use of \$201,820 of AB109 restricted fund balance yields a new net County cost of \$880,710, which will come from Public Safety General Purpose Fund balance.

SHERIFF / CORONER-BURNEY STATION

Fund 0195 Public Safety, Budget Unit 261 Tom Bosenko, Sheriff/Coroner

PROGRAM DESCRIPTION

The Burney Enforcement Division of the Sheriff's Department provides law enforcement and other public services to residents in Eastern Shasta County. From 2009 through part of 2015, services were reduced due to budgetary concerns and Burney Station was closed to the public. In late 2015, the Burney Station was reopened to the public and staffed with two Public Safety Service Officers due to Board of Supervisors action on March 17, 2015. The Board also approved funding two additional deputies and a new patrol vehicle.

BUDGET REQUESTS

Total FY 2016-17 requested appropriations have increased by \$96,349 to \$2.4 million. This is due to standard increases in salaries and benefits and increased A-87 costs. Prop. 172 (Public Safety Augmentation) revenue is flat and there's a minimal increase in charges for services. There is a three percent increase in General Fund. Overall, there is a deficit in this budget in the amount of \$548,849, which will come from use of Public Safety General Purpose Fund balance.

SUMMARY OF RECOMMENDATIONS

Due to unanticipated increases in insurance rates and A-87 costs, the CEO recommends increasing the General Fund to support the increased cost of \$52,735 from FY 2015-16. In addition, in order to support future demands of fund balance, the Sheriff proposed reducing some services and supplies accounts. Due to a reassignment of a higher-step Deputy to Burney, there is an increase in salaries and benefits. Overall, the CEO recommended modifications create a decrease in net County cost of \$33,783 to \$515,066, which will come from Public Safety General Purpose Fund balance.

PENDING ISSUES AND POLICY CONSIDERATIONS

Although the Board of Supervisors approved additional funding (public safety general purpose funds and Hatchet Ridge Community Benefit Fund) to support reopening the Burney Station and to fund Deputy positions, there's an ongoing challenge to fill the Deputy positions. Deputies assigned to and living in the area of Burney are eligible to receive a resident deputy stipend of five percent.

DEPARTMENT HEAD CONCURRENCE OR APPEAL

The department head concurs with this budget as recommended.

PROBATION-JUVENILE REHABILITATION FACILITY

Fund 0195 Public Safety, Budget Unit 262 Tracie Neal, Chief Probation Officer

PROGRAM DESCRIPTION

The Shasta County Juvenile Rehabilitation Facility (JRF) is a 24-hour detention facility administered by the Probation Department to house up to 90 juveniles per day, but due to the Prison Rape Elimination Act of 2003 (PREA), this capacity is reduced depending on the type of population. JRF staff are responsible for facilitating rehabilitative programming to minors in a secure custodial setting, while ensuring the safety and security of the minors and public.

BUDGET REQUESTS

Total FY 2016-17 requested appropriations are \$5 million which is a 3.4 percent decrease from the FY 2015-16 Adjusted Budget. Although there are standard wage and benefits increases, they are offset by anticipated decreases in medical services costs due to the JRF daily population. A-87 decreased; however, there is an increase in insurance rates.

The General Fund revenue contribution has increased three percent for FY 2016-17, from \$2.6 million to \$2.7 million. Proposition 172 revenue and State Juvenile Justice Grant funds remain flat. This cost center has a budget deficit in the amount of \$64,732 which is funded with Youth Offender Block Grant restricted fund balance, leaving no net County cost.

SUMMARY OF RECOMMENDATIONS

The CEO recommends some minor net zero correction adjustments in Salaries and Benefits. Due to unanticipated increases in insurance rates, the General Fund is supporting the increased cost of \$17,696 from FY 2015-16. The new deficit is \$47,036 which is funded with Youth Offender Block Grant restricted fund balance, leaving no net County cost.

PENDING ISSUES AND POLICY CONSIDERATIONS

None.

DEPARTMENT HEAD CONCURRENCE OR APPEAL

The department head concurs with this budget as recommended.

PROBATION

Fund 0195 Public Safety, Budget Unit 263 Tracie Neal, Chief Probation Officer

PROGRAM DESCRIPTION

The Probation Department provides pre-sentence investigations to the Court, monitors defendants' compliance with Court orders and operates various programs that provide sentencing alternatives and/or community programs. The Adult Division conducts criminogenic assessments, bail reviews, completes investigations and makes recommendations to the Court in pre-sentence and post-sentence reports, supervises felony defendants, monitors their compliance with Court orders, and operates an Adult Work Program for community service. The Juvenile Division handles juvenile law violations referred from all law enforcement agencies in Shasta County. The Probation Officers complete investigations and assessments, division programs, write dispositional reports to the Court, monitor compliance with Court orders, and operate a Juvenile Work Program for community service.

BUDGET REQUESTS

Total FY 2016-17 requested appropriations are \$11.9 million which is an eight percent decrease from the FY 2015-16 Adjusted Budget. Although Salaries and Benefits increased by ten percent due to standard increases, Services and Supplies decreased by four percent. Overall, expenditures decreased by eight percent or \$1 million, primarily due to reducing services associated with SB678 revenue, which has declined.

The General Fund revenue contribution has increased three percent for FY 2016-17 to \$1.24 million. Proposition 172 revenue remains flat. Total revenues decreased by 22.6 percent primarily due to SB678 revenue declining by \$650,000 and overall AB109 2011 Realignment declining by \$500,000. This cost center has a budget deficit in the amount of \$2.4 million, of which \$1.4 million is funded with AB109, SB678, State Juvenile Justice Grant, and Juvenile Probation and Camp Funding restricted fund balances, leaving a net County cost of \$997,128 which will come from Prop. 172 Reserves.

SUMMARY OF RECOMMENDATIONS

The CEO recommends some minor net zero corrections. Also, due to unanticipated increases in insurance rates and A-87, the General Fund is supporting the increased cost of \$89,341 from FY 2015-16. On May 10, 2016, the Board approved adding one Probation Assistant with a sunset date of June 30, 2017 for the Shasta Technical Education Program - Unified Partnership (STEP UP) Program. Because this occurred after the proposed budget submission, expenditures and offsetting revenues are being included in the CEO recommendations. In addition, in order to support future demands of fund balance, the Chief Probation Officer proposed unfunding one vacant Agency Staff Services Analyst position and one vacant Deputy Probation Officer III position; the CEO recommends unfunding these positions. The Chief Probation Officer and her staff are to be commended for supporting the future needs of public safety. The overall expenditure reductions in combination with use of miscellaneous restricted fund balance reduce the net County cost to \$744,176 which will come from Prop. 172 Reserves.

PENDING ISSUES AND POLICY CONSIDERATIONS

SB678, the Community Corrections Performance Incentive Act of 2009 formula begins with a base of \$200,000 then counties are eligible for additional monetary performance incentive grants for reducing the rate of the number of probation revocations to state prison. Unfortunately, Shasta County has a very high rate and will only receive the \$200,000 base allocation in FY 2016-17. A byproduct of receiving less revenue is that there are fewer staff and contracted service providers to implement evidence-based programs, processes, and services to reduce recidivism. To help offset this declining revenue, the local Community Corrections Partnership (CCP) Executive Committee voted to allow Probation to use some of its AB109 fund balance to fund eight positions. Even with the additional AB109 for this purpose, overall

AB109 is declining in FY 2016-17 as there was a large one-time allocation to counties in FY 2015-16 to help offset a major decrease for FY 2015-16. Due to the significant decline in SB678 for Shasta County, Probation created a focus group in collaboration with its justice partners to determine the reasons for the continued high return to prison rate and to create a plan to work together to rehabilitate offenders. This collaboration is further challenged by the increased number of individuals being released from California prisons to meet federal requirements to reduce California prison populations.

DEPARTMENT HEAD CONCURRENCE OR APPEAL

The department head concurs with this budget as recommended.

Fund 0060 General, Budget Unit 280 Paul Kjos, Agricultural Commissioner/Sealer of Weights & Measures

PROGRAM DESCRIPTION

The Department of Agricultural Commissioner/Sealer of Weights and Measures provides more than sixteen mandated services to County residents. The agency's primary functions are to: promote and protect the County's agricultural industry; protect the public's health, safety, and welfare; and foster confidence and equity in the marketplace through the fair and uniform enforcement of the California Food and Agricultural Code, the Business and Professions Code, the Code of Regulations, and other laws, regulations, and ordinances enacted by Shasta County. This is accomplished through education and the fair and uniform enforcement of laws, regulations, and ordinances enacted by the State of California and the County of Shasta. Agricultural operators, businesses and the public benefit from a healthy environment, a safe food supply and full purchasing power in the marketplace through the effective management of these mandated programs.
