

Did You Know...

over the next three years the Affordable Care Act will provide an estimated additional 10,000 low-income Shasta County residents access to quality health coverage through Medi-Cal?

Medi-Cal Managed Care

Once a person becomes eligible for Medi-Cal, Partnership HealthPlan of California will help them access health care and choose a provider.

Partnership HealthPlan creates a local system of care that focuses on primary and preventive care.

Medi-Cal beneficiaries are encouraged to select a provider beginning September 1st. Visit www.partnershiphp.org for more info.
