

Life is unpredictable. Accidents happen. Be prepared.  
Get health insurance *before* you need it.

Health care reform makes quality health insurance  
available to almost all Shasta County residents.

Low- and no-cost health insurance programs have expanded  
to include adults without children. Other coverage options  
include a variety of benefit levels, tax credits and  
subsidies to reduce premiums.

**Accidents happen. Get covered.**

Do YOU  
have health  
insurance?

Get covered  
before you  
need it.
