

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-417-8923. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.deltahealthsystems.com](http://www.deltahealthsystems.com) or call 1-800-417-8923 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0 (No <u>deductible</u> )	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
Are there services covered before you meet your <u>deductible</u> ?	Yes. Covered services are not subject to a <u>deductible</u> .	This <u>plan</u> covers services without any applicable <u>deductible</u> . But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	For medical PPO <u>network providers</u> : \$1,000 individual / \$2,000 family; for medical <u>non-PPO provider</u> : there is no <u>out-of-pocket limit</u> . For prescription <u>copayments</u> : \$8,100 individual / \$16,200 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Certain <u>coinsurance</u> , <u>copayments</u> , <u>premiums</u> , <u>balance-billed</u> charges, non-covered services, and penalties for not obtaining required <u>preauthorization</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . Amounts in excess of Reasonable and Allowed & Usual, Customary, and Reasonable (UCR) for out-of-network services.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.anthem.com/ca/find-care/">https://www.anthem.com/ca/find-care/</a> or call 1-800-417-8923 for list of Anthem Blue Cross <u>network providers</u> . For substance abuse treatment, TARP has its own provider list. Call TARP at 800-522-8277 for list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
