ARTICLE 3. RECOGNITION AND ASSOCIATION TIME BANK

A. Recognition.

The Employer recognizes the Association as the exclusively recognized employee organization pursuant to Government Code section 3501(b) and the Shasta County Employer-Employee Relations Resolution (Resolution 97-154) for all regular and probationary full-time and part-time employees (1/2 time or more) in the job classifications listed in Attachment A but excluding extra help employees.

B. Association Time Bank.

1. Association members may voluntarily donate vacation leave credits, holiday leave credits, or compensatory time off credits to an Association Time Bank (Time Bank) by designating the type and amount of leave credit on a card provided to the County for that purpose by the Association. All such donation cards shall be signed by the member. Donations shall be in whole hour increments, and a member may not request withdrawal of any hours so donated. Additionally, all vacation hours not accrued by an employee as a result of exceeding the maximum vacation accrual limit will be put into the Vacation Donation Bank.
2. Association members designated by the Association shall be eligible to use the Time Bank to perform Association business. Such use is subject to reasonable advance request by the Association and approval by the Department Head. Requests shall be reviewed in the same manner that requests to use compensatory time are reviewed, including instances when the department is required to use another employee to fill in on an overtime basis. Should a request be granted which requires using a fill-in employee on an overtime basis to replace the employee released from duty on time bank leave, then the additional one-half (1/2) time shall also be deducted from the time bank.
3. Approved time off will be in whole hour increments. Members may not use Time Bank hours in excess of the accrual balance in the Time Bank.
4. The County agrees to implement such administrative procedures as are necessary in order to implement the transfer of leave credits and tracking the bank balance. Reasonable fees may be charged by the County for the administration of this program.
5. The parties agree this Time Bank program is separate from, and not governed by, the time off provisions as provided in section 3505.3 of the Government Code.
6. The parties agree that this Time Bank program is in lieu of any program authorized by any time bank or similar law enacted by the State of California. The parties each expressly waive the provisions of any such law for the duration of the term of this Agreement.

C. New Employee Orientation Access and Disclosure of Employee Contact Information

1. **New Employee Orientation Access.** The Association will be provided at least ten calendar days advanced notice of the time, date, and location of new employee orientations, including the number of bargaining unit employees in attendance, and allotted thirty (30) minutes as part of, and at the end of, the new employee orientation meeting in a room designated by bargaining unit.
 - i. No more than two (2) representatives may present Association membership information.
 - ii. Management representatives will excuse themselves during the Association portion of the orientation.

- iii. The Association agrees in its portion of the orientation not to engage in speech that could cause substantial disruption or material interference with County activities.
- iv. County employee representatives conducting orientation may attend, and travel to and from, the orientation on their own time, on unpaid leave, use vacation leave or compensatory time off or flex time provided the Association provides Personnel with the employee's name at least five (5) days prior to the orientation. Employees shall be released for this purpose unless unusual operation needs interfere with such release in which case the employee and the Association will be provided a written explanation of why the employee could not be released.

2. Disclosure of Employee Contact Information.

- i. County will provide the Association a digital file via email to the email address designated by the Association containing the following information to the extent the County has it on file:
 - a. Name
 - b. Job Title
 - c. Department
 - d. Work Location
 - e. Work, home, and personal cellular telephone numbers
 - f. Personal email address on file with the County (new hires only)
 - g. Home address
- ii. Such information will be provided at the end of each month for new hires in a classification represented by the bargaining unit and quarterly for all bargaining unit employees.
- iii. An employee may opt out via written request to the County, with a copy to the Association, to direct the County to withhold disclosure of the employee's:
 - a. Home address
 - b. Home telephone number
 - c. Personal cellular telephone number
 - d. Personal email address
 - e. Birth date

ARTICLE 4. COUNTY RIGHTS AND RESPONSIBILITIES

County retains, solely and exclusively, all the rights, powers, and authority exercised or held prior to the execution of this Agreement, except as expressly limited by a specific provision of this Agreement. Without limiting the generality of the foregoing, the rights, powers, and authority retained solely and exclusively by the County and not abridged herein, include, but are not limited to the following: To manage and direct its business and personnel; to manage, control, and determine the mission of its departments, building facilities, and operations; to create, change, combine, or abolish jobs, policies, departments, and facilities in whole or in part; to subcontract or discontinue work for economic or operational reasons; to direct the work force; to increase or decrease the work force, temporarily furlough employees for economic reasons, and determine the number of employees needed; to hire, assign, transfer, promote, and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation, and reasonable work load; to specify or assign work requirements and require overtime; to schedule working hours and shifts; to adopt rules of conduct and penalties for violation thereof; to determine the type and scope of work to be performed by County employees and the services to be provided; to classify positions; to establish initial salaries of new job classifications after notification of the Association; to determine the methods, processes, means, and places of providing services; and to take whatever action necessary to prepare for and operate in an emergency.

ARTICLE 5. PROBATIONARY PERIOD

- A. **Initial Probation.** Upon initial appointment as Deputy Sheriff, employees shall serve the equivalent of eighteen (18) months of full-time service as a probationary period. Upon initial appointment as a District Attorney's Investigator or as a lateral hire Deputy Sheriff, employees shall serve the equivalent of twelve (12) months of full-time service as a probationary period. During the probationary period, an employee may be dismissed without cause or right of appeal.
- B. **Promotional Probation.** Upon promotion to a different job classification with a higher salary schedule, an employee shall serve the equivalent of twelve (12) months of full-time service as a probationary period, during which time the employee may be returned to the employee's previous job classification without cause or right of appeal, provided the employee achieved permanent status in the previous class.
- C. **Probationary Period Completion.** Any accumulated time absent during the probationary period for a period of more than one hundred and sixty (160) hours shall serve to extend the employee's probationary period for the total period of absence.
- D. **Rejection from Probation.** Rejection during a probationary period is not a disciplinary action. The decision to release an employee from probation must be approved by the Director of Support Services, or his/her designee, and County Counsel prior to release.
- E. **Trainee Status.** Persons appointed as Deputy Sheriff Trainees shall be considered temporary employees, and shall not begin serving a probationary period until having met the qualifications for and been appointed to the class of Deputy Sheriff.

ARTICLE 6. HOURS

- A. **Work Hours.** Except in emergencies, the regular work week of full-time unit employees shall normally consist of five (5) days of eight (8) hours each, exclusive of lunch period. Each employee shall be assigned regular starting and quitting times, which shall not be changed without prior notice.
- B. **Alternate Work Schedules.** Other work schedules (including the 12-plan) may be implemented by the County at its sole discretion upon thirty (30) days prior notice to affected employees. Any return to the standard 5-8 schedule shall remain at the sole discretion of County management and may be implemented upon thirty (30) days prior notice to the Association or, if on a single position, to the affected employee. Such time periods shall not apply to emergency situations or individual circumstances which are unplanned.
- C. **Rest Periods.** When practical, employees shall be granted a fifteen (15) minute paid rest period during each half work shift of four (4) hours or longer. Such breaks shall not be taken within one (1) hour of the employee's starting time, quitting time, or meal break, and shall not be accumulated or used to supplement meal breaks, arrive to work late, or leave work early.
- D. **Meal Periods.** An unpaid meal period of up to one (1) hour shall be part of the normal daily work schedule. Such meal period shall occur at approximately the midpoint (after four hours) of the shift and be approved by the employee's supervisor. Some work schedules may include a meal period within the scheduled duty hours. In such cases no specific off duty meal time shall be granted.
- E. **Release From Duty.** When the best interest of the County requires the immediate removal of the employee from the employee's position, any employee may be released from regularly assigned duties with pay and benefits by the Department Head, or his/her designee, for a period not to exceed eighty (80) working hours upon the approval of the Director of Support Services, or his/her designee. Upon showing of good cause by the appointing authority, such release from duty may be extended up to a maximum of twelve (12) months upon approval from the Director of Support Services or his/her designee.

ARTICLE 7. OVERTIME

- A. If, in the judgment of the Department Head, work beyond the assigned work period is required of a regular full-time employee, such overtime worked shall be compensated for as follows:
 - 1. Sheriff's Office Employees: Deputy Sheriff Trainee, Deputy Sheriff-Entry Level, Deputy Sheriff-Journey Level/Lateral, and Sergeant. Employees have the option to receive time and one-half (1-1/2) pay or Compensatory Time Off (CTO) at a rate of one and one-half (1-1/2) hours for each hour worked in excess of the employee's assigned work shift (of at least eight hours) or eighty (80) hours in a fourteen (14) day work period; provided further, that such employees shall receive cash payment for overtime accrued in excess of eighty (80) overtime hours (one hundred twenty [120] straight-time hours).

2. District Attorney: District Attorney's Investigator and Supervising District Attorney's Investigator. Employees shall be entitled to overtime compensation at a rate of one and one-half (1-1/2) hours for each hour worked in excess of the employee's assigned work shift (of at least eight hours) or forty (40) hours in a seven (7) day work period. Employees shall be entitled to CTO as overtime compensation; however, the employee may alternatively receive pay at the discretion of the Department Head based on operational needs. CTO shall be accumulated at a rate of one and one-half (1-1/2) times their hourly rate as overtime compensation. CTO may be accumulated up to one hundred twenty (120) hours (eighty hours at time-and-one-half).
3. Overtime Eligibility. Only hours worked may be used to determine eligibility for overtime. Hours worked shall be deemed to include: Travel time as required by Fair Labor Standards Act (FLSA), required jury duty, vacation (approved per Article 14, Section B.3), credit holiday time off, required off-shift training meetings, actual time in court appearances, and shooting practice required by the Department.

B. Compensatory Time Off (CTO). Accrued CTO may be used upon approval of the Department Head, or his/her designee.

1. Policy. It shall be the policy of the Shasta County Sheriff's Office to allow employees to use CTO accrued under the FLSA within a reasonable period after the employee makes the request if the use of the CTO does not unduly disrupt the operations of the Sheriff's Office. In addition, the Sheriff may designate the taking of CTO when conditions allow.
2. Purpose. The purpose of this policy is to establish a procedure to be followed by employees in requesting the use of CTO accrued under the FLSA. The Shasta County Sheriff's Office will give consideration to all requests for the use of CTO.

C. Procedure.

1. CTO must have been earned and recorded prior to the beginning of the pay period in which it is taken.
2. Requests for CTO shall be made within a reasonable period in advance of the requested date of the time off. The Sheriff's Office reserves the right to deny a request for use of CTO if the request was not made within a reasonable period of time in advance of the date requested. Whether a request for CTO has been made within a reasonable period will be determined by considering the customary work practices within the Sheriff's Office based on the facts and circumstances of each case. These work practices include, but are not limited to:
 - a. The normal schedule of work;
 - b. Anticipated peak workloads based on past experience;
 - c. Emergency requirements for staff and services;
 - d. The availability of qualified substitute staff; and

- e. As a general rule, requests for CTO shall be made to the member's supervisor at least one (1) work week, i.e. five (5) work days in advance of the requested date of the time off.
3. Requests for time off made with less than five (5) work days' notice will be considered on a case-by-case basis. The requesting member shall provide an explanation for the short notice of the request.
4. If the request for the use of CTO was made within a reasonable period of time in advance of the date requested, the supervisor will grant the use of the CTO unless it unduly disrupts the operations of the Sheriff's Office. To be an "undue disruption," the supervisor must reasonably, and in good faith, anticipate that the use of CTO would impose an unreasonable burden on the Sheriff's Office's ability to provide services of acceptable quality and quantity for the public during the time requested without the use of the member's services. The supervisor should take into consideration such factors as minimum staffing levels, anticipated workloads, emergency requirements for staff and services during the time in question, and the availability of qualified substitute staff. Mere inconvenience is an insufficient basis for denial of a request for CTO. Supervisors and staff members are encouraged to assist each other in meeting organizational needs.
5. A request for the use of CTO may not be denied on the sole basis that another member will be required to work overtime to cover the shift. If overtime is required, the supervisor shall post the overtime shift for sign up to back fill the position. Staff members making requests for CTO are encouraged to assist the supervisor by having the name of a staff member willing to fill the overtime position at the time the request for CTO is made. The supervisor shall have the final authorization on the selection process.
6. Approval of a request to use CTO may be revoked at any time by the Sheriff's Office if circumstances change such that the use of CTO on a given date will, in the judgment of the Sheriff, or his/her designee, unduly disrupt the operations of the Sheriff's Office.
7. Employees may be required, at the discretion of the Sheriff, or his/her designee, to use CTO.
8. Hours designated for CTO in excess of the maximum accruals shall be paid in cash at the appropriate rate. Upon separation from County employment, employees shall be entitled to payment for accrued compensatory time.

D. Second Contiguous Shift Worked.

Employees shall be eligible for time and one-half (1-1/2) for time worked on the second of two (2) contiguous shifts to which assigned.

ARTICLE 8. COMPENSATION

- A. **Wages.** Wages for job classifications in this unit are as shown in Attachments A, B, C and D
- B. During this Agreement, wage schedule increases shall occur at the beginning of the pay period on the following dates with the indicated percentage increases:

Attachment	Applicable Date	Percentage Increase
A	September 1, 2023	Current Salary Range
B	October 8, 2023	2.5%
C	September 8, 2024	2.5%

C. **Merit Step Increases.** Employees shall be eligible to progress from step to step within the appropriate range depending on merit. Such progression shall not be automatic, but shall be governed by the County’s Personnel Rules except that step movement from Step A to Step B shall occur after twelve (12) months for all classifications in this unit other than for initial appointments to the Deputy Sheriff (Journey Level/Lateral) job classification that follows 12-months in the Deputy Sheriff Entry Level position.

D. Work Above Classification.

- 1. **Qualification Period.** When an employee is temporarily assigned to the duties of a vacant higher level position, the employee shall, commencing on the eighty-first (81st) hour and effective the first (1st) hour, receive a rate equivalent to that provided for under County promotional rules. To be eligible for the higher rate, the employee must:
 - a. Be assigned in writing by the Department Head with the approval of the County Personnel Office;
 - b. Be assigned for other than training purposes;
 - c. Perform the full regular duties of the higher position; and
 - d. Perform the duties of the higher position for a period of at least eighty (80) work hours, except with an approved interruption. Holidays shall be treated like weekends or comparable regularly scheduled days off.
 - (1) An approved interruption shall be the use of approved leave balances not to exceed an accumulation of sixteen (16) hours during the eighty (80) hour qualification period.
 - (2) Returning to the employee’s regularly assigned position for more than sixteen (16) accumulated work hours will cause the eighty (80) hour requirement to begin again if full duties of the higher position are resumed.

- e. Reestablish eligibility for a higher rate by meeting the above four (4) criteria on a semi-annual basis.
2. Payment for Hours Worked. An employee who has qualified for the higher rate shall receive such a rate on an hourly basis only for hours worked while so assigned.
3. Definition of Vacant Higher Level Position. A “vacant higher level position,” as referred to herein, is understood to include absences by the incumbent of the higher position of more than eighty (80) working hours including vacation, sick, or other forms of leave.

A “vacant higher level position” may also include a portion of a position in which the incumbent is temporarily unable to perform all of the essential functions of the job due to a documented health condition. In this case, an employee may be assigned to temporarily work out of class to perform the full duties associated with the essential function(s) the incumbent cannot perform, providing that this work accounts for at least twenty-five percent (25%) of the job. The higher rate of pay will apply only to those hours in which the employee working out of class performs duties specific to the essential functions the incumbent cannot perform. The employee assigned to work out of class must work in this capacity for more than two (2) regularly scheduled work weeks, after which out of class pay will apply to the hours worked performing assigned higher level duties effective the first day such work was performed. Additionally, a Department Head must obtain approval from the Director of Support Services, or his/her designee, prior to assigning an employee to work out of class in a position subject to the conditions described in this paragraph.

Note: This section is limited to cases where an employee’s doctor releases the employee to work in a limited capacity (including full-time work doing limited duties, and part-time work doing full or limited duties) and the County determines it can accommodate the employee with a temporary, modified duty assignment and another employee can reasonably be called upon to perform those essential functions of the job that the employee with limitations cannot perform.

E. Specialty Assignment Pay -- Hourly Differentials. The following stipends are agreed to be offered for actual hours worked under the described conditions. It is further agreed that no right to such differential exists except as it is connected to the duty performed.

1. Officer-in-Charge. Deputy Sheriffs and District Attorney Investigators assigned Officer-In-Charge duties as a lead worker will receive an additional five percent (5%) of base wages while working in such a capacity on an hour for hour basis.
2. Field Training Officer (FTO). When a qualified FTO is regularly and consistently assigned by Sheriff’s or District Attorney’s management to perform field training duties with respect to a specific trainee, all hours worked in such capacity shall be compensated by an additional five percent (5%) of base wage. Nothing in this section shall be construed to reduce the Sheriff’s or District Attorney’s discretion in reassigning FTO duties.
3. Certified Instructor Pay. An officer who is certified to perform the instructor duties for Defensive Tactics; Fire, Life, and Safety Officer; Canine; and Rangemaster and Firearms

and who is regularly and consistently assigned in that capacity shall receive an additional five percent (5%) of base wage for each hour of such duty performed.

F. Specialty Assignment Pay -- Other Differentials.

1. Payment for Canine Assignment and Care of Patrol Dogs. Employees in canine assignments shall be compensated an additional ten (10) hours per pay period at one and one-half (1-1/2) times the prevailing federal or state minimum hourly wage (as may be amended) during the time a patrol dog is assigned to them. Compensation (example below) shall be considered full pay in lieu of any other overtime compensation for all home duties including feeding and watering, exercising, grooming, bathing, bonding, training, arranging for and transporting for veterinary care, and other routine maintenance of the canine. Expenses for travel necessary for extraordinary veterinary care shall be reimbursed pursuant to the County’s Travel Policy.

Example:

Minimum Hourly Wage	Minimum Wage Overtime Rate	Compensation Per Pay Period	Annualized Compensation
\$8.00	\$12.00	\$120.00	\$3,120

2. Detective/Coroner Assignment. During the period of time an employee is assigned by management to the Detective Division and works as a Detective or Deputy Coroner Investigator, the employee will receive five percent (5%) in addition to the employee’s normal base salary. In addition to the foregoing, an employee placed in an assignment where the duties are intelligence duties and primarily investigative in nature, may petition the Sheriff for consideration of payment of five percent (5%) in addition to the employee’s normal base salary. The decision of the Sheriff shall be final and not subject to the Grievance Procedure of this Agreement.
3. Resident Deputy Assignment. During the period of time a Deputy Sheriff is assigned by management to live in and service a specific rural and/or remote unincorporated community as a Resident Deputy on a continuous basis, the employee will receive five percent (5%) in addition to the employee’s normal base salary. This section shall apply to deputies assigned to the Burney station.
4. Resident Deputy Housing Allowance. During the period of time a Deputy Sheriff is assigned by Management to live in and service a specific unincorporated community as a Resident Deputy on a continuous basis, the employee will receive \$5,000 per year housing allowance, paid with regular payroll in equal installments. If an employee is placed on unpaid status, the employee is not eligible to receive the installment.
5. Reassignment. It is agreed that any reassignment that results in a loss of Specialty Pay pursuant to this section is not in and of itself disciplinary in nature. However, the parties agree that such reassignment may be appealed within seven (7) calendar days from notice to the affected employee by requesting an administrative hearing before the Sheriff, or his/her designee, whose decision shall be final and binding.

G. P.O.S.T./Education Pay.

1. Intermediate P.O.S.T. Certificate. Any unit member who attains or possesses an Intermediate P.O.S.T. Certificate shall be eligible to receive an additional four and one-half percent (4.5%) of salary as P.O.S.T. pay, providing the employee has completed at least six (6) months with his/her respective department. Initial eligibility shall require an "overall" performance evaluation of "meets expected standards" for the previous six (6) month period. Eligibility shall not be earlier than the beginning of the payroll period following the date stated on the P.O.S.T. Certificate.
2. Advanced P.O.S.T. Certificate. Any unit member who attains or possesses an Advanced P.O.S.T. Certificate shall be eligible to receive an additional three and one-half percent (3.5%) of salary as P.O.S.T. pay under the same conditions as above, for a maximum of eight percent (8.0%) above base salary.
3. Reinstatement. Persons who are rehired, and immediately previous to leaving County employment were receiving P.O.S.T. pay, shall be deemed to satisfy the above criteria at the appropriate level.

H. Standby and Callback.

1. Assignment Pay. A Department Head, or his/her designee, may assign employees to standby. Employees assigned standby shall be compensated at a rate of \$3.00 per hour while so assigned. Standby duty pay shall cease during the hours for which callback is paid.
2. Requirements. In order for an employee to become eligible for standby pay, the employee must be assigned to standby status by the Department Head requiring the employee to:
 - a. Review the projected standby assignment schedule within the deadlines established by the applicable department;
 - b. Wear a County-provided pager, or be available by telephone during standby assignment;
 - c. Contact the department/dispatch and respond to the callback location within the time period established by the Department Head;
 - d. Respond promptly to callbacks during scheduled standby time unless the employee has notified the department of the name of another qualified employee who will respond;
 - e. Refrain from activities that impair the employee's ability to perform assigned duties;
 - f. Request mileage reimbursement for callback responses performed in non-County vehicles within one (1) month after mileage costs are incurred;

- g. Receive permission to transport non-County employees in County vehicles no later than the last working day prior to standby assignment; and
 - h. Accept the applicable standby pay as referred to in subsection 1 as full consideration for any inconvenience the standby assignment may pose.
- 3. Distinguished from Subject to Call. Standby status is to be distinguished from uncompensated status of being “subject to call,” wherein an employee returns to work during off-duty hours in response to being called, but is not required to meet the standby criteria.
- 4. Callback from Standby. Any employee, when called back to duty from standby status, shall be compensated for the hours worked at one and one-half (1-1/2) times the equivalent hourly rate of their regular salary. The minimum for each callback from standby duty shall be two (2) hour. Such time worked shall not include travel time between an employee’s residence and the employee’s regularly assigned work location.
- 5. Pay for Callback While Not on Standby.
 - a. Any unit employee not on standby status who is called back to work shall be credited with a minimum of three (3) hours of time worked. Nothing shall prevent management from assigning such an employee to perform work during this period of time, or longer if needed.
 - b. Should callback time become contiguous with regular work hours, time worked shall not be credited as callback and the minimum time period shall not apply.
- 6. Callback from Vacation. An employee called in to work during the employee’s regularly scheduled vacation period shall be compensated at a rate of one and one-half (1-1/2) times his/her regular rate of pay for all time worked at the County’s request in accordance with existing policy. “Regularly scheduled vacation period” means vacation approved at least twenty-four (24) hours in advance.
- 7. Court Cancellation. An employee shall receive a minimum of four (4) hours of straight time compensation if Court appearance is cancelled within 48 hours of scheduled appearance.

I. Shift Differential.

1. Swing Shift. That regularly assigned shift during which at least fifty percent (50%) of the hours occur between the hours of 1600 and 0030. Unit members assigned to the swing shift shall receive an additional seventy-five cents (\$0.75) for each hour so worked.
2. Graveyard Shift. That regularly assigned shift during which at least fifty percent (50%) of the hours occur between the hours of 0030 and 0900. Unit members assigned to the graveyard shift shall receive an additional one dollar (\$1.00) for each hour so worked.
3. Twelve (12) hour Shifts. Unit members who are regularly assigned to work a twelve (12) hour shift schedule shall receive an additional seventy-five cents (\$0.75) for each hour worked between 1600 hours and 2400 hours (midnight) above their normal hourly pay, and one dollar (\$1.00) for each hour worked between 2400 hours (midnight) and 0800 hours above their normal hourly pay. This shall apply to all qualifying shifts within the normal shift schedule.
4. Applicability. Except as required by the FLSA, such differentials shall not be considered part of the regular base wages and therefore not applicable to vacation, sick leave, and other forms of non-work pay.

Except for the Deputy Sheriff Trainee, employees hired prior to the May 8, 2011 contract amendment between the County and CalPERS are covered under the Safety retirement provisions with a 3% @ age 50 benefit. The County contribution includes the PEMHCA minimum contribution. The employee is responsible for any medical premium costs exceeding the County contribution amount.

The County and the employee will split the difference in costs (50%/50%), whether an increase or decrease, and apply that toward their respective employer contribution and employee contribution amounts for all health plans from the previous year to determine the current year’s contribution, up to a \$0 contribution. The County contribution includes the PEMHCA minimum contribution.
 - a. The County shall continue to contribute an amount equal to at least four percent (4%) of gross salaries to reduce either the Other Post Employment Benefit unfunded liability and/or the CalPERS Retirement unfunded liability.

The County contribution includes the PEMHCA minimum contribution. The employee is responsible for any medical premium costs exceeding the County contribution amount.
4. Beginning in December 2024 for premiums applied to January 2025 and in each subsequent year thereafter, the employee contribution percentage of the annual PERS Gold baseline premium for Employee Only will increase by 2% annually until such time as the Employee Only contribution reaches a 90% employer contribution / 10% employee contribution split of the annual PERS Gold health insurance contribution. In no event shall the total County contribution be greater than the actual premium needed for the level of applicable coverage. Likewise, in no event shall the total County contribution be greater than it would have been without this option being invoked.
9. If, during the term of this Agreement, the legal requirements of the Affordable Care Act have an impact on County rights and obligations regarding health benefits for County employees, the County and the Association agree to reopen Article 9 – Health and Welfare Benefits, in order to meet and confer over such impacts. Cost increases to the DSA dental plan will not trigger an increase to the County's contribution. However, the County will increase its monthly contribution to the DSA dental premium by up to \$5.00 effective with the pay period which includes January 1st of each year and up to a like amount, in subsequent years of this Agreement should the Delta Dental rates increase by that amount. Rate increases greater than those amounts will be absorbed by the employee.

Any changes or modifications to Lincoln Financial coverage billing, enrollment, or administrative procedures shall require prior approval by the County.

- C. **Vision Insurance.** The County shall provide regular employees with County-approved Vision Insurance. Employees may enroll their dependents in the vision plan provided the employee pays any additional cost associated with such enrollment.
- D. **Life Insurance.** The County shall pay the premium for a \$40,000 life insurance policy for each employee in the unit as soon as it can be accomplished under the insurance company's requirements. Employees may purchase additional life insurance under the County's policy or purchase coverage of life insurance for qualified dependents. Effective the pay period following

such time that the group life insurance policy can be amended, unit employees may purchase additional insurance in an amount up to three times their annual salary (up to a maximum of \$300,000) at the employee's own expense. Purchase of additional insurance shall be subject to the terms and conditions of the County's policy with the insurance carrier.

The County will not change the benefits or providers of this plan without first seeking input from the bargaining unit.

1. Beginning January 1, 2017, with respect to any full-time covered employee and any part time covered employee hired prior to January 1, 2017 who is enrolled in CalPERS medical insurance, the County will continue to contribute into the 125 Benefit Plan the agreed percentage amount based upon the medical contribution rates noted in Section A above for the coverage in which the employee is enrolled (i.e., Employee Only, Employee plus One, or Employee plus Family), minus the statutory amount prescribed by Government Code section 22892 paid by the County directly to CalPERS on behalf of that employee and minus the required amount contributed by the employee.
2. In no event will the County's contribution under Government Code section 22892 and the applicable agreement exceed the actual cost of the benefit. The covered employee must authorize a payroll deduction for their required contribution. If no authorization is made, the County will not make a contribution to the 125 Benefit Plan.

- G. **401(a) Plan.** Any covered employee hired on or after January 1, 2017, shall not be eligible to earn or receive the County contribution to retiree medical benefit as described in Article 9.A.6, but shall receive only the County's minimum contribution amounts required under Government Code section 22892 if they elect to continue CalPERS healthcare after retirement.

Any covered employee who was hired prior to January 1, 2017, may voluntarily elect to participate in the Section 401(a) Plan in lieu of the benefit provided in Article 9.A.6. If the employee voluntarily elects to participate in the 401(a) Plan in lieu of receiving the benefit under Article 9.A.6, the County will contribute the minimum contribution required under Government Code section 22892. The employee will receive contributions into the 401(a) Plan as set forth below. The decision to elect to participate in the 401(a) Plan in lieu of receiving the benefit under Article 9.A.6 shall be irrevocable.

The 401(a) Plan will be administered as follows:

1. The County shall continue to provide an Internal Revenue Code Section 401(a) Plan consistent with this Article. The County shall continue to contribute into the Section 401(a) Plan an amount on behalf of each covered employee electing to participate under this Article equal to the amount contributed by that employee from his or her own pre-tax salary into one of the County's Section 457 deferred compensation plans, but not to exceed 3% of the employee's pre-tax salary. Accordingly, if an employee contributed a total of 1-3% of his or her pre-tax salary to a 457 plan, then the dollar amount of the County's 401(a) contribution would fully match the employee's 457 contribution; if an employee contributed more than 3% of his or her pretax salary to a County 457 plan, then the dollar amount of the County's 401(a) contribution would only be equal to 3% (and not more) of the employee's pretax salary and would not fully match the employee's 457 contribution. The employee may direct the investment of said contributions in accordance with the options or limitations provided by the 401(a) Plan. Each such employee shall vest (that is, earn the right to withdraw) the County's contributions into the 401(a) Plan on their behalf based on years of County service, as set forth below, subject to any of the plan's requirements.

2. The 401(a) Plan implementing this Article shall provide the following schedule of vesting requirements for any participating employee to earn and be eligible to withdraw or otherwise receive a portion (or in some cases all) of his or her total account value at the time of termination:

<u>Years of COUNTY Service</u>	<u>Portion of Account Value Vested</u>
Less than 1 year	0%
1 year plus 1 day to 2 years	10%
2 years plus 1 day to 3 years	20%

7 years plus 1 day to 8 years	70%
8 years plus 1 day to 9 years	80%
9 years plus 1 day but less than 10 years	90%
10 years	100%

3. In addition to and notwithstanding the foregoing, employee's options for withdrawing, "rolling over," and otherwise using account money (and the tax consequences of such withdrawals and use), shall be subject to any legal requirements or limitations of Internal

Revenue Code Section 401(a) and any other applicable laws with which the County and the Plan must comply.

- I. **Sick Leave Accrual Balance as Affected by Layoff.** At the time of layoff, an affected employee shall have the option to receive a sick leave payoff under the applicable formula. 2. Annual Payment. Beginning in 2017 for the 2018 calendar year and going forward with each subsequent calendar year, an employee may elect to receive payment for up to forty (40) hours – in five (5) whole hour increments - of accrued vacation leave, holiday credit hours, or compensatory time so long as the following criteria are satisfied:

Where an employee has properly elected an intent to cash out accrued vacation, holiday credit hours, or compensatory time in the applicable calendar year as noted above, the

employee can choose any pay period(s) during the year to receive the elected cash out. All requests for cash out must be made through Employee Online by the due date listed for each pay period. All requests must be submitted in five (5) whole hour increments. All requests for a cash out will be limited to the number of hours elected the preceding calendar year less any cash outs already approved, and the actual current year accrued hours available at the time of the cash out.

By November 15 of each calendar year, the County shall issue a notice to those employees who have elected cash out and have remaining cash out balances available.

 - a. Written Reprimands. A reprimand, the details of which are committed to writing and placed in the employee's personnel file. A written reprimand must be

reviewed and approved by the Director of Support Services, or his/her designee, prior to being issued to an employee.

- b. Intermediate Disciplinary Action. Suspensions without pay, demotion, or reduction in pay. Proposed intermediate disciplinary actions must be reviewed and approved by the Director of Support Services, or his/her designee, and County Counsel prior to being issued to an employee.
 - c. Severe Disciplinary Action. Discharge. Proposed severe disciplinary actions must be reviewed and approved by the Director of Support Services, or his/her designee, and County Counsel prior to being issued to an employee.
2. Appeal Procedures. For all employees, the below listed procedures shall be the exclusive means of appeal available to disciplined employees, depending on the severity of discipline proposed. Disciplinary action may be taken prior to the completion of any of the listed appeals procedures.
- a. Appeal from a Written Reprimand. An employee receiving a written reprimand may, within five (5) days, appeal such action to the Department Head, or his/her designee, in writing or by personal interview. Within five (5) days thereafter, the Department Head, or his/her designee, shall respond to the employee in writing by either granting or denying the appeal. Such response shall be final.
 - b. Appeal from an Intermediate Disciplinary Action. An employee receiving a suspension without pay, reduction in base pay, or demotion shall be afforded the opportunity to clear him/herself through the notice and response provisions of subsections c.(1) through c.(3) below. Additionally, the Association, on behalf of employees may exercise the following procedures in lieu of direct appeal to the Board of Employee Appeals. If within the ten (10) working day appeal period, the Association, on behalf of the employee, files notice of appeal of such intermediate disciplinary action, then a time for an appeal hearing before a Hearing officer shall be established, which shall not be less than ten (10) days, nor more than sixty (60) days from the date of the filing of the appeal, unless extended by mutual agreement of the County and the Association. The appeal must be filed by the Association with the Director of Support Services. All interested parties shall be notified in writing of the date, time, and place of hearing at least ten (10) working days prior to the hearing. Any such appeal before a Hearing Officer will be conducted pursuant to the following procedures:
 - (1) The Hearing Officer will be a licensed attorney provided by an outside third party entity (currently, California Hearing Officers, LLP). The costs for the Hearing Officer's proceedings shall be divided equally between the County and the Association.
 - (2) All hearings shall be private; provided, however, if requested by the appellant the hearing shall be open to the public.

- (3) The hearing shall be conducted in a manner most conducive to determinations of the truth. The Hearing Officer shall determine the admissibility, the relevance, and materiality of the evidence offered and may exclude evidence deemed by the Hearing Officer to be cumulative or irrelevant and conformity to legal rules of evidence shall not be necessary. The rules of privilege shall apply to the hearing.
- (4) Each party shall have the right to be represented by legal counsel or other person of his/her choice; to call and examine witnesses on any matter relevant to the issues; to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though such matter was not covered on direct examination; to impeach any witness regardless of which party first called him/her to testify; and to rebut the evidence against him/her. Every witness shall declare by oath or affirmation that he/she will testify truthfully.
- (5) Following the appeal hearing, the Hearing Officer shall issue an opinion to sustain, reject, or modify the employee's intermediate disciplinary action. Such opinion shall be advisory only, shall not be binding on either party, and shall be limited to the issue or issues presented to the Hearing Officer. The advisory opinion shall be emailed to the Board of Employee Appeals through the Clerk of the Board of Supervisors, with a copy emailed to the Director of Support Services, the Association, and the employee.
- (6) Within ten (10) working days following the issuance date of the advisory opinion by the Hearing Officer, either the Association or the County can request that the Board of Employee Appeals review the advisory opinion. Such request must be in writing and submitted to and received by the Clerk of the Board of Supervisors within this time frame, with a copy of the written request provided to the other party. If no such request for review is made within this time frame, the parties have therefore agreed to waive any further appeal of the underlying discipline and notwithstanding any language to the contrary in section 15.5(B)(5), the Hearing Officer's decision will become final and shall be binding on the parties.
- (7) If review of the advisory opinion is requested, the Board of Employee Appeals will review the advisory opinion and the record of the underlying appeal hearing before the Hearing Officer and will issue its decision within 30 calendar days after completing that review. As part of the Board of Employee Appeals review of the advisory opinion, the following procedures will apply:
 - (a) A copy of the record shall be made available to the parties. Costs for the preparation and copying of the record shall be split equally between the County and the Association.

(b) The Board of Employee Appeals shall not decide any case provided for in this provision without affording the parties the opportunity to present either oral or written argument before the Board of Employee Appeals itself.

(8) In issuing its decision, the Board of Employee Appeals may do any of the following:

(a) Adopt the proposed decision in its entirety.

(b) Reduce or otherwise mitigate the proposed penalty and adopt the balance of the proposed decision.

(c) Make technical or other minor changes in the proposed decision and adopt it as the decision. Action by the Board of Employee Appeals under this paragraph is limited to a clarifying change or a change of similar nature that does not affect the factual or legal basis of the proposed decision.

(d) Reject the proposed decision, and decide the case upon the record, including the transcript from the proceedings before the Hearing Officer, or upon an agreed statement of the parties. By written stipulation of the parties, the Board of Employee Appeals may decide the case upon the record without including review or consideration of the transcript.

If the Board of Employee Appeals rejects and/or modifies the Hearing Officer recommendation, the Board shall detail in writing the basis for such rejection and/or modification.

The decision of the Board of Employee Appeals shall constitute final administrative action and shall be subject to judicial review pursuant to Code of Civil Procedure sections 1094.5 and 1094.6.

Further appeal shall be limited to the Board of Employee Appeals procedures outlined in subsection c.4 below.

c. Appeal from a Severe Disciplinary Action. An employee whose employment is proposed to be terminated shall be notified of the charges and have the opportunity to appeal as described below:

(1) Notice. The employee shall be advised in writing of proposed disciplinary action when such action is to result in demotion, suspension without pay for a period of more than five (5) days, or discharge. The written statement shall contain:

(a) A description of the events which necessitated the proposed severe disciplinary action;

- (b) A statement of the charges;
- (c) A statement of the proposed disciplinary action;

(2) Employee's Response.

- (a) Since the purpose of this meeting is to enable the County to avoid error in taking disciplinary action, any evidence not presented in this response meeting or otherwise presented to the Management Representative prior to management taking final action cannot be presented in any subsequent proceeding.
- (b) An employee's opportunity to respond to the designated management representative is not intended to be an adversary hearing. However, the employee may present the names of witnesses in support of the employee's opposition to the proposed disciplinary action. The limited nature of this response does not inhibit management's authority to initiate further investigation if the employee's version of the facts raises doubts as to the accuracy of the supervisor's information leading to the proposed discipline. The employee may be accompanied and represented by a person of his/her choice during this procedure.

- (3) Management Representative's Decision. Following a review of a proposed disciplinary action by the designated management representative, the latter shall cause to be served on the employee affected, by certified mail or personal delivery, a statement signed by him/her indicating, if applicable, the management representative's decision based on the employee's response and, if the proposed action is to be implemented, the specific charges against the employee and the effective date of the action.

- (a) This statement shall clearly inform the employee that the employee, through the employee organization, has the right, within five (5) days after receipt of this notice, to request in writing an appeal before an arbitrator or Board of Employee Appeals to contest the action of the management representative. The request must be filed by the employee with the Director of Support Services with a copy to the Department Head.
 - (b) If, within the five (5) day appeal period the employee does not file said appeal, the action of management representative shall be considered conclusive.
- (4) Appeal to Board of Employee Appeals. If, within the five (5) day appeal period, the employee files such notice of appeal from intermediate action by giving to the Director of Support Services written notice of appeal, the Director of Support Services shall forthwith set a hearing and transmit the order of disciplinary action and request for appeal to the Appeals Board for hearing. The Appeals Board shall, as soon as possible commence the hearing and shall notify the interested parties of the time and place of the hearing at least seven (7) calendar days in advance thereof. Except as otherwise provided herein, the Board of Employee Appeals shall operate according to the requirements of the Personnel Rules provisions under which it is established.
- (5) Appeal to Arbitration. If, within the five (5) day appeal period, the employee files such notice of appeal of discharge by giving to the Director of Support Services written notice of appeal, then a time for an appeal hearing before an Arbitrator shall be established which shall not be less than ten (10) days, nor more than sixty (60) days from the date of the filing of the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing at least five (5) days prior to the hearing.
- (a) The Arbitrator shall be selected by requesting a list of nine (9) labor arbitrators from the American Arbitration Association and following that organization's selection procedure.
 - (b) All hearings shall be private; provided, however, that the appellant may request a hearing be open to the public.
 - (c) The hearing shall be conducted in a manner most conducive to determinations of the truth. The Voluntary Labor Arbitration Rules promulgated by the American Arbitration Association shall be used by the Hearing Officer as a guide in ruling on evidentiary matters.
 - (d) Each party shall have the right to be represented by legal counsel or other person of party's choice; to call and examine witnesses on

any matter relevant to the issues; to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though such matter was not covered on direct examination; to impeach any witness regardless of which party first called him/her to testify; and to rebut the evidence against him/her. If the appellant does not testify in his/her own behalf, the appellant may be called and examined as if under cross-examination. Every witness shall declare by oath or affirmation that the witness will testify truthfully.

- (e) The Arbitrator shall determine whether to sustain, reject, or modify the action discharging the employee. The written award of the Arbitrator on the merits of any appeal adjudicated within the Arbitrator's jurisdiction and authority shall be final and binding on the employee, the Association, and the County.
- (f) Mutually incurred costs for the Arbitration procedure shall be divided equally between the County and the Association.
- (g) The jurisdiction and authority of the Arbitrator and the Arbitrator's opinion and award shall be confined exclusively to deciding properly filed, timely appeals from Severe Disciplinary Action as defined above. The Arbitrator shall have no authority to add to or detract from, alter, amend, or modify any provision of this Agreement; to impose on either party a limitation or obligation not explicitly provided for in this Agreement, or to establish or alter any wage rate or wage structure. The Arbitrator shall not hear or decide more than one (1) appeal in one (1) session without the mutual consent of the County and the Association.

C. Abandonment of Position.

An employee who voluntarily quits employment through unauthorized absence (no call, no show) of three (3) consecutive work days or more shall be considered to have abandoned his/her position. Employees terminated under this section shall have the availability of subsections B.2, c. (1), (2) and (3) (introductory paragraph only) of this article.
