Short-Term Rental Fire Inspection Checklist

Short Term Rental

Fire Inspection Information

Pursuant to Shasta County Code section 17.88.230.9.c., all Short-Term Rental (STR) permits are subject to annual fire inspection. Consistent with section 17.88.230, the Director of Resource Management has determined that it is necessary to submit proof of a recent fire inspection at the time the initial application for a STR is filed and with each subsequent annual STR renewal application. The inspection(s) shall be by the local fire protection agency or CalFire prior to issuance of the Short-Term Rental permit. If you need to determine within which fire protection agency jurisdiction you proposed STR is located please contact a permit specialist at (530) 225-5761 or email resourcemanagement@co.shasta.ca.us

The following list indicates some key items the fire protection agency will expect to be in place at the time of the fire inspection:

- 2-A:10-B:C Fire Extinguisher:
 - 1 per floor Mounted to wall No more than 5 feet from floor
- Operable Carbon Monoxide detector
- Operable Smoke Detector in each Bedroom
- Operable Smoke Detector in Hallway/Common Area
- Water Heater strapped to wall. (or Tankless)
- Defensible Space / PRC 4291 (ca.gov)
- Electrical Panel labeled (main panel and any sub panels per CEC
- Any exit from the dwelling leading to an enclosed space (such as a deck) that does not allow access to exterior ground level shall be labeled "NOT AN EMERGENCY EXIT"
