Evidence-Based Correctional Program Checklist (CPC)

Type: RFC Annual

Status: Approved

Version: 1.0

Cert. Number: 06685179

Certification Date: 5/29/2019

Expiration Date: 5/29/2021

Created By: Laurie Sutherland

Created Date: 3/24/2017

Last Modified By: Susie Browning

Last Modified Date: 5/29/2019

Course Information

Est. Class Size: 25

Course Hours: 32

Primary Population: Field Probation, Juvenile Corrections, Supervisors

Agency Specific: No

Delivery Method: iLT – Instructor Lead Training

Course Summary:

The CPC training encompasses a four-day training session: 1st two days involve presentation in which trainers review the principles of effective interventions, CPC research and participation exercises with the CPC indicators and scoring criteria; the 3rd day is spent at a program site, conducting a mock CPC assessment, observing staff and program participants, treatment sessions, reviewing client files and other relevant materials; the 4th day trainers and trainees score the CPC based on the information from the site visit. This is concluded with the trainees taking a written exam and planning the next steps in the CPC certification requirements. Trainers will provide the CPC report based on the site visit to the trainees within 6 weeks. Trainees will review and provide recommendations and the draft will be submitted to the program. A final report will be provided to the program and the trainees.

Course will exceed the STC maximum tuition of \$12.50 an hour? No

Performance Objectives

Become certified as CPC assessors, based on rating satisfactory in 3 of the 4 components and be able to use the CPC training research and scoring criteria to conduct their own CPC assessments. Trainees are evaluated as satisfactory or unsatisfactory based on 4 components: performance in the training/mock assessment, score on the CPC Certification Test (must score 80% or higher), knowledge/application of scoring criteria after the 1st CPC assessment and performance in writing a CPC report. Trainees must be rated as Satisfactory in at least three of the four components to be certified as a CPC assessor.

After training, each trainee will be provided a document indicating their performance during the training and their test score. They will also receive a copy of their test to review. Trainees are encouraged to assess a program as soon as possible after the initial training. Multiple assessments may be required before final certification is granted.

Understand the principles of effective intervention and CPC research and a didactic presentation concerning the CPC items and scoring criteria. Conduct interviews with staff, perform treatment sessions.

Course Outline

Day	Begin	End	Subject Matter	Instructional Methodology	Instructor	Agency Notes
1	1300	1400	Assigned officers will be given a scenario of a realistic field situation by the assigned facilitators. The officer will then discuss and create a plan for the intended field operation. This plan will be presented by the officers and a walk through of these steps will occur. Officers will further encounter in the scenario (presented by the facilitator(s) where potential force may be used and will be required to discuss options and a plan for the use of force. The use of force options will be presented by the officers and a walk through of these steps will occur.	"Lecture","Group Discussion","Demonstration","Group Exercise"	"Chappelle, Chelsey","Jones, Eric","Ulloa, Carol"	
1	1400	1500	The assigned Supervising Probation Officer (SPO) will be "called" to the scene and the facilitators will ensure the SPO is presented by the officers with the information he/she needs to assess and address areas of the policy/procedure that fall under his/her purview. The reasons for their actions will be presented by the SPO and a walk through of these steps will occur. The assigned peer support staff will be "called" to the scene and the facilitators will ensure peer support is presented by the SPO with the information he/she needs to assess and address areas of the policy/procedure that fall under his/her purview. The reasons for their actions will be presented by the peer support officer and a walk through of these steps will occur.	"Lecture","Group Discussion","Demonstration","Group Exercise"	"Chappelle, Chelsey","Jones, Eric","Ulloa, Carol"	
1	1500	1600	The assigned Division Director (DD) will be "called" to the scene and the facilitators will ensure the DD is presented by the SPO with the information he/she needs to assess and address areas of the policy/procedure that fall under his/her purview. The reasons for their actions will be presented by the SPO and a walk through of these steps will occur. The assigned Rangemaster will be "called" and the facilitators will ensure the Rangemaster is presented with the information he/she needs to address areas of the policy/procedure that fall under his/her purview. A walk through of these steps will occur	"Lecture","Group Discussion","Demonstration","Group Exercise"	"Chappelle, Chelsey","Jones, Eric","Ulloa, Carol"	
1	1600	1700	Once all of the assigned participants have taken part of the facilitated drill and discussion, a debrief of the drill/scenario will occur. During the debrief, policy and procedure questions will be addressed and comments and constructive evaluation will be given by the facilitators (or others involved the drill). After this debrief, the participants will once again walk through the given scenario in a "real time"	"Lecture","Group Discussion","Demonstration","Group Exercise"	"Chappelle, Chelsey","Jones, Eric","Ulloa, Carol"	

environment of events without interruption by the facilitators unless constructive direction needs to be given or question by the participants occurs. This will give the participants the chance to practice the skills just reviewed by the earlier walk-through. An additional debrief, conducted by the facilitators with all participants, will occur after the "real time" walk through.
