- (2) A charge of \$0.53 for every 100 gallons or portion thereof for that portion of the total bi-monthly consumption between 510,000 gallons and 1,453,800 gallons.
- (3) A charge of \$0.3 for every 100 gallons or portion thereof for that portion of the total bi-monthly consumption over 1,453,800.

**Commercial Rate Schedule:**

The Commercial Rate Schedule shall be the same as the Basic Bi-monthly In-Service Area Residential Rate Schedule for the first water meter plus the Basic Bi-monthly In-Service Area Residential Rate Schedule charge for each additional water meter on the parcel.

**Standby and Vacation Status Charges:**

- (1) **Not Connected to Water System:** A standby charge of \$5.00 per month shall be paid by the owner of each parcel in the Service Area for which delivery of water service is readily available but for which delivery of water service has not been initiated, whether structures are present on the parcel or not. Parcels that are determined not to be suitable for residential or commercial development shall not be charged a standby charge. The determination that a parcel is not suitable for residential or commercial development will be made by the Director of Public Works in his/her sole discretion. That determination shall take into consideration the size, topography, and shape of the parcel, as well as other factors deemed relevant to the determination.
- (2) **Vacation Status:** Pursuant to subdivision A. of section 13.12.040 of the Shasta County Code, customers with a meter shall be charged the Standby Charge of \$5.00 per month during the months the parcel is vacant, upon request, if the parcel is to receive regular water service for less than three consecutive months per year. In addition, customers shall be charged the Turn-On Fee as set below.

**Water Meter Installation and Main Line Extension Fees:**

- (1) When main line extensions are not required, County Service Area personnel will install the meter based on the following fees to be paid prior to installation:

3/4" Water Meter	\$ 1,500.00
1" Water Meter	\$ 2,000.00
1-1/2" Water Meter	\$ 2,500.00
2" Water Meter	\$ 3,000.00
Road Crossing	\$ 4,000.00 Deposit, plus actual costs

- (2) When main line extensions are required, meter installation and extension of service shall be constructed at the sole expense of the person or entity applying for the extension, and shall meet or exceed minimum standards and requirements of the County. A deposit to cover the improvement plan check and construction inspection will be required. The minimum deposit shall be \$400.00. Once the actual costs of plan checking and construction inspection are determined, a fee to cover those costs shall be imposed.

**Restoration to Service (Disconnected Service):**

- (1) The fee to restore service that has been discontinued due to non-payment of water service charges and fees shall be the actual cost to restore service with a minimum charge of \$25.00.
- (2) The fee to cover the costs of administering the termination and subsequent restoration of service shall be \$25.00. Water service will be restored to regular status upon request from the customer and will be turned on no later than the next business day. If the customer requests that water service be restored outside of regular business hours, a service charge equal to the costs incurred may be charged.

- (3) **Charges for Water Delivery to Users Not in County Service Area No. 11 (Short-Term Usage):** When available, water may be made available to parcels which are not within County Service Area No. 11 at twice the rate charged to regular customers for the same usage in a bi-monthly period.

In addition, a fee of \$500.00 shall be charged for installation of a meter to record water usage, and a written services agreement setting forth the terms and conditions of the delivery of water must be executed before water may be delivered.

**Section 2.** For the purposes of this Ordinance, the term "bi-monthly" shall mean occurring once every two months.

**Section 3.** All rates, fees, and charges imposed pursuant to this Ordinance shall take effect on December 1, 2011.

**Section 4.** This ordinance supersedes any prior ordinance or resolution setting water rates, fees, and charges for County Service Area No. 11 (French Gulch Water).

**Section 5.** Ordinance No. 653 is repealed.

**Section 6.** This ordinance shall take effect and be in full force and effect from and after 30 days after its passage. The Clerk shall cause this ordinance to be published as required by law.

**DULY PASSED AND ADOPTED** this 1st day of November, 2011 by the Board of Supervisors of the County of Shasta by the following vote:
